INTENSIVE ENGLISH PROGRAMME

The Intensive English Programme is designed to provide social and academic English language instruction to students preparing for university life and those intending to improve their English proficiency in a university environment.

AIM

- To develop students' confidence and competence in using English in social and academic environments.

TARGET LEARNERS

- Individuals who wish to learn English in a university environment;
- Pre-university students who are planning to apply for a degree programme or are waiting to enrol in a university;
- Local and international students who plan to apply for a postgraduate degree programme;
- Local and international students who have been accepted into a postgraduate degree programme but lack adequate competence in English to meet the university's requirements.

LEVELS

- Foundation English : Language Skills Development (Introductory)
- Intensive English I : Language Skills Development (Elementary)
- Intensive English II : Language Skills Development (Intermediate)
- Intensive English III : Academic Language Skills Development (Upper-Intermediate)
- Intensive English IV : Academic Language Skills Development (Advanced)

* Enrolment in this English language programme DOES NOT ensure acceptance into an academic programme at Universiti Sains Malaysia.

** Tailor-made courses for special Intensive English programmes are also available upon request.

EDUCATION MALAYSIA GLOBAL SERVICES (EMGS)

The Malaysian government has made it compulsory to ALL international students to acquire student visa and health insurance.

EMGS will help process your visa and insurance prior to your arrival. Students must also undergo medical checkup at the USM Clinic to ascertain their health condition.
